Change the highlighted segments for clients target industry

Straight Offer

Hey NAME, I really appreciate you getting back to me.

As for the quick rundown, ClientRise works exclusively with marketing agencies helping them get 1 - 3 more clients every month via clients service.

Think of us as an extension of your company that funnels your future clients to you who are currently searching for marketing services.

We build the pipeline. You close the deals.

We should schedule a **Google Meet** call to discuss this further. I can get you in on DAY at TIME am/pm TIMEZONE or DAY at Time am/pm TIMEZONE time.

Let me know which time works for you and I can send over a calendar invite.

Cheers!
Maaz N
